A NEW INITIATIVE IN RESEARCH TRIANGLE PARK
Many RTP companies are already hosting events, creating employee resource groups, and investing time and resources in inclusive projects, hiring practices and more. We believe that by collaborating, Park companies can:

- **Amplify** the DEI work already being done across RTP companies.
- **Connect** with regional efforts in the Triangle to showcase the Park as a diverse and welcoming center of business.
- **Integrate** DEI behaviors within our organizations with a focus on anti-racism and social justice for marginalized groups.
- **Establish** a network of professionals who share the same interests and goals for DEI.
- **Scale** existing events and initiatives to create a bigger, broader impact for the 55,000 people working in RTP.
- **Support** and serve Park companies who are working to begin or scale their DEI efforts.

**NOW IS THE TIME** for RTP companies to collaborate on Diversity, Equity and Inclusion (DEI).
WHY NOW?

Research Triangle Park, and the 300 companies and organizations located here, have great impact in both the local and global business community. It is our responsibility to enhance that impact.

By amplifying our DEI values, we can create opportunities that better serve the skilled talent our companies are hiring, helping with recruitment and retention.

Additionally, it is crucial to recognize that the next generation of leaders not only values, but represents, a diverse and equal workforce. It is imperative that we create equitable and inclusive spaces for tomorrow's leaders to thrive.

As we break down the silos across RTP companies to collaborate and synergize our efforts, we will all benefit from the resulting advancement in talent attraction, contributing to better business outcomes for all.
